

KERC 2nd Level Teacher/Principal Recruitment Services for an Aggregate of Communities

Based on the Sioux Lookout Area Chiefs resolution (# 10/01-2016) passed at the Kwayaciiwin AGM in January 2016, KERC has initiated the teacher/principal recruitment process for an aggregate of communities for the 2016 – 17 school year.

Tasks to be conducted for this initiative will include:

- KERC will place group ads for teacher/principal positions
- KERC will gather and compile resumes and create a database of applicants
- KERC and the communities will screen resumes
- Arranging of interviews
- KERC will complete reference checks

The final decision on who will be hired will be the responsibility of each community.
