

Kwayaciiwin Education Resource Centre in Sioux Lookout, Ontario is seeking an

OCCUPATIONAL THERAPIST

Responsibilities:

- Assess students in First Nations schools using appropriate assessment instruments
- Plan and provide appropriate specialized therapy techniques and strategies designed to meet the educational needs of special education students, consistent with therapy goals in Individual Education Plans (IEP's)
- Collaborate with classroom teachers to plan and implement classroom based activities
- Work with parents in the therapy program of their child
- Compile, maintain and file all reports, records and other documents as required by Kwayaciiwin policy
- Maintain up-to-date knowledge of research, theories and practices associated with O.T. in a school-based setting
- Provide consultation and professional development services to school staff
- Work closely with other staff as part of the Kwayaciiwin special education team
- Travel to 13 First Nation communities as required

QUALIFICATIONS:

- Registered with the College of Occupational Therapists of Ontario
- Knowledge and respect for the issues and history of First Nations education
- Proven ability to work as an effective team member;
- Self-motivated, organized with independent work skills
- Excellent oral and written communication skills.

Please submit a letter of application along with a resume, and written permission for KERC to contact three recent employment references. KERC requires Criminal Reference and Child Abuse Registry check at the time of hiring. Please email application to:
